Clean and contemporary lines with the stately strength of old-world charm, a woodburning stove is a fantastic way to provide heating to your home space. The Timberwolf woodburning stoves are built to be convenient and uncomplicated when it comes to use. The T25 woodburning stove provides an extremely long burn times - up to 16-hours - so keeping toasty overnight isn't a problem at all. And with an output of up to 70,000 BTUs, you'll always be warm. No electricity, no problem. A woodburning stove provides heat and light, no matter what. There's nothing like building a fire, real wood, the smell, the sound, the sight, however, it can also get a little untidy. A built-in, full-width ash lip ensures that your floors remain clean, while the easy-to-remove ash pan ensures that cleanup is a breeze.

Ash Disposal Kit (Optional)

Reduced Clearance Heat Shield (Optional)

Blower (Optional)

Easy To Open Door Handle

Air Shutter Control

Large Glass Viewing Area

T25 Wood Stove

The T25 woodburning stove is clean and contemporary looking. Featuring EPA 2020 certified woodburning technology and extremely long burn times - up to 16 hours. The extra-large viewing area ensures that you can watch the fire for pleasure instead of babysitting the fire for reloading. A heavy-duty firebox top and full-width ash lip to protect your floor from debris, while a large ash pan with easy glide rollers ensures clean up is effortless. Clean and contemporary lines allow this wood burning stove to blend into your current décor while remaining highly efficient.
